

## UPlan Weekly Digest

Friday, July 29, 2016

### Announcements:

- **UPlan Downtime:** UPlan will be down for the year-end and year-open activities beginning Monday, August 15 through Friday, September 2. Below is a summary of the year-end/open activities.
  - June Final actuals will be loaded
  - Working Plans will be copied to Approved Plans for any control point that has not already completed this activity
  - Approved Plans will be copied to Final Plans
  - UPlan data will be archived
    - The archived data will be accessible to all planners as a separate cube when UPlan re-opens
  - July 1 ChartField changes will be implemented
  - SOM PLUS data will be imported
  - Years will roll over and new Forecast year will be seeded from Plan Final
    - FY17 = Year 0 Forecast
    - FY18 = Year 1 Plan
    - FY19 = Year 2 Plan
    - In CommtPln, FY27 = Year 10 Plan
  - July FY17 actuals will be loaded
  - UPlan will send 2016-17 July and August Forecast to MyReports
  - Employee dimension will be purged
    - Separated employees with no FY17 and FY18 plan data will be dropped from UPlan.
    - Separated employees who do have FY17 and FY18 plan data will not be deleted, so that Approved/Final Plan figures do not change.
  
- **UPlan Customer Feedback Survey:** If you haven't already, please complete the survey by clicking [here](#). The survey will take about 10-15 minutes to complete and provide valuable feedback to help improve the system. Please note that providing your name and contact information is optional though highly encouraged; if you do not provide your contact information, the UPlan team does not have access to your identity which is kept confidential by the survey system.

### Bug Fixes & Enhancements:

- No new bug fixes or enhancements this week. Reference the [UPlan Enhancements](#) page for a complete list of enhancements relevant to this fiscal year.

### Known Issues:

- No new issues this week. Reference the [UPlan Known Issues](#) page on our website for a complete list of unresolved issues. As known issues are resolved, they will be announced under "Bug Fixes & Enhancements".
