

UPlan Weekly Digest

Friday, April 21, 2017

Announcements:

- **Upcoming UPlan Enhancements:** The UPlan team plans to implement the following UPlan enhancements next Tuesday, April 25th after 5pm. These updates will not require any downtime. However, we recommend planners avoid using the "Search Individual Empl" form during the implementation.

Changes to the Employee Planning application:

1. Disable/remove the "Benefit Global Assumptions" form and functionality from the Task List. This functionality has not been used to date in UPlan.
2. Show all relevant accounts on the rows and disable the "Add/Remove Account" right-click menu item from the "Empl Salary" and "Empl Benefits" tabs of the "Search Individual Empl" form
3. Remove below unused accounts from the "Empl Salary" and "Empl Benefits" tabs in the "Search Individual Empl" form
 - UCSF Pay
 - Non-UCSF Pay
 - Base&Neg Ben Incr %
 - Addtl Ben Incr %
 - Fac Bon&Incv (BYZ) Ben Incr %
4. Combine the "Empl Salary" and "Empl Benefits" tabs into one tab

Bug Fixes & Enhancements:

- **RESOLVED – Search Individual Employee Form Error Message:** Some planners were receiving a XML Load Error message when navigating to the "Search Individual Empl" form in Smart View. This has now been resolved.
- Reference the [UPlan Enhancements](#) page for a complete list of enhancements relevant to the last fiscal year.

Known Issues:

- Reference the [UPlan Known Issues](#) page on our website for a complete list of unresolved issues. As known issues are resolved, they will be announced under "Bug Fixes & Enhancements".
