

UPlan Weekly Digest

Friday, February 2, 2018

Announcements:

- **Alert: UPlan is down for the “Planning by Project” enhancement implementation.** The implementation started later than scheduled due to the Operational Data Store (ODS) being down earlier this week. To accommodate for this delay, UPlan will be back online **Tuesday, February 6** instead of Monday, February 5 as announced last week. This enhancement will bring in Sponsored, Retention, Recruitment, Other Faculty/PI, and Capital projects as individual projects rather than aggregated UPlan-only project IDs.
- **UPlan New User Training:** Enrollment is now open for the UPlan New User Training. Email uplan@ucsf.edu to enroll in any of the below training sessions.
