Announcements:

- **UPDATE – General Planning Form Reports are Unavailable:** There is an unresolved issue that surfaced during the Planning by Project migration downtime where the form reports in General Planning are not loading as expected. These include the Completion Tracking and various net position reports, see screenshot below. As a precaution, the reports have been temporarily removed from “My Task List” and will be added back when the issue is resolved. **Our technical team is working with Oracle technical support to identify and resolve the issue. In the meantime, if a particular report is needed for your department(s), please contact the UPlan team at uplan@ucsf.edu and we will work with you to create an ad hoc report.**

Tips & Tricks:

- **Beginning Net Position:** If the beginning net position does not match the prior year’s ending net position, click “Save” on the web form or “Submit” in Smart View and the number will refresh.
