Bug Fixes & Enhancements:

- **RESOLVED - Planners Receiving Error:** Some planners were receiving intermittent error messages when accessing to UPlan web and Smart View ad hoc. According to IT, this issue is resolved. Please contact the UPlan team if you are still receiving the errors.

- Reference the [UPlan Enhancements](#) page for a complete list of enhancements relevant to the last fiscal year.

Known Issues:

- **Employee FP Feed to UPlan not showing data for April 2019 – June 2019:** Payroll has only updated the internal payroll processing calendar up to March 2019. This means there is no FP Employee data to copy into UPlan between April 2019 – June 2019. We will notify Planners when FP data populates in UPlan for April 2019 – June 2019.
- Reference the [UPlan Known Issues](#) page on our website for a complete list of unresolved issues. As known issues are resolved, they will be announced under “Bug Fixes & Enhancements”.
