

UPlan Weekly Digest

Friday, February 22, 2019

Announcements:

- **On-site Support:** Beginning **Wednesday, February 27th**, the UPlan team is offering on-site support at Parnassus and Laurel Heights every Wednesdays during the course of the planning season. Individual support is also available, as needed. Please email uplan@ucsf.edu to schedule a visit.
- **Salary Global Assumptions:** The salary global assumptions by bargaining unit/TUC was updated in Employee Planning on **Monday, February 11th** at the D999999 level to reflect the campus planning assumptions for 2019-20 and 2020-21. Only the merit increase for 99's and range increases for all other bargaining units are included. Each Control Point and their departments have the option to adjust these assumptions as needed at Level 1 or 2 DeptID's. The Salary Global Assumptions form can be found under My Task List > Employee Planning > Empl Global Assumptions in UPlan—see screenshots below for both the web and Smart View. Note that assumptions for increases that do not occur across the board are not included: step increases, equity increases, academic merits, and lump sums; and any bargaining unit with "TBD" assumptions were left blank.
