Announcements:

- **Salary Global Assumptions:** The salary global assumptions by TUC 99 was updated from 3% to blank/no increase in Employee Planning on **Monday, April 27** at the D999999 level to reflect the campus revised salary planning assumptions for 2020-21. The updated rate automatically causes the salaries to decrease by 3%. Planners who have already made the salary adjustments in UCSFPlan (General Planning) based on the higher salary dollars may need to adjust their numbers accordingly.
