Announcements:

- **Salary Global Assumptions:** The salary global assumptions by bargaining unit/Union Code was updated in Employee Planning on **Monday, February 27th** at the D999999 level to reflect the campus planning assumptions for 2023-24 and 2024-25. Note the following:
 1. Only the merit increase for 99's and range increases for all other bargaining units are included. Unions with "TBD" increases were left blank.
 2. Increases that are not included are: step increases, equity increases, academic merits, and lump sums.
 3. Each Control Point and their departments have the option to adjust these assumptions at their respective DeptID levels.
 4. The Salary Global Assumptions form can be found under My Task List > Employee Planning > Empl Global Assumptions in UPlan—see screenshots below for both the web and Smart View.
