

## Pay Component Definitions

The following table summarizes the definitions of the pay components using in the UPlan Employee Planning module.

Pay Component		
<b>Base &amp; Negotiated</b>	Includes X, X' and Y' components of faculty salary (Health Sciences Compensation Plan) as well as credits that impact base pay.	Includes regular salary and those salaries that are treated like regular pay as well as credits that impact base pay.
<b>Faculty Bonuses/Incentives</b>	Includes only the BYZ portion of the Z component of faculty salary (Health Sciences Compensation Plan)	N/A (exceptions for faculty who may also have multiple title codes where one may be a non-faculty academic or staff title code).
<b>Additional/Other</b>	Includes all salary not included in the X, Y, and BYZ portion of Z components of faculty salary.	Includes all non-base salary, such as shift differentials and overtime.

## Pay Component Definitions

### Base & Negotiated
