

UPlan Weekly Digest

Friday, December 16, 2016

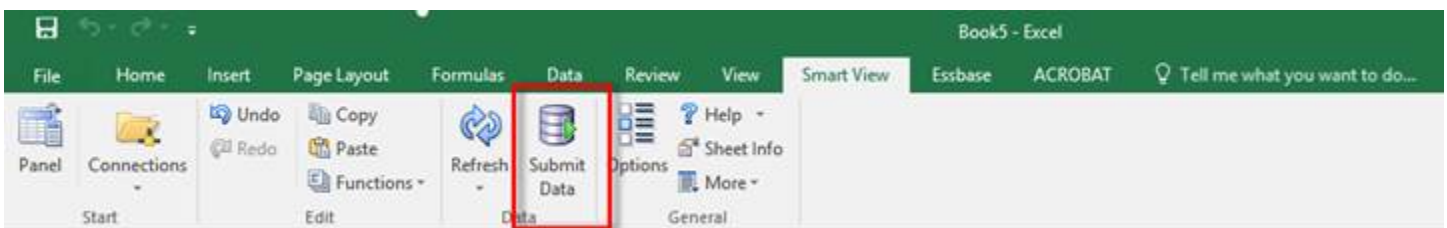

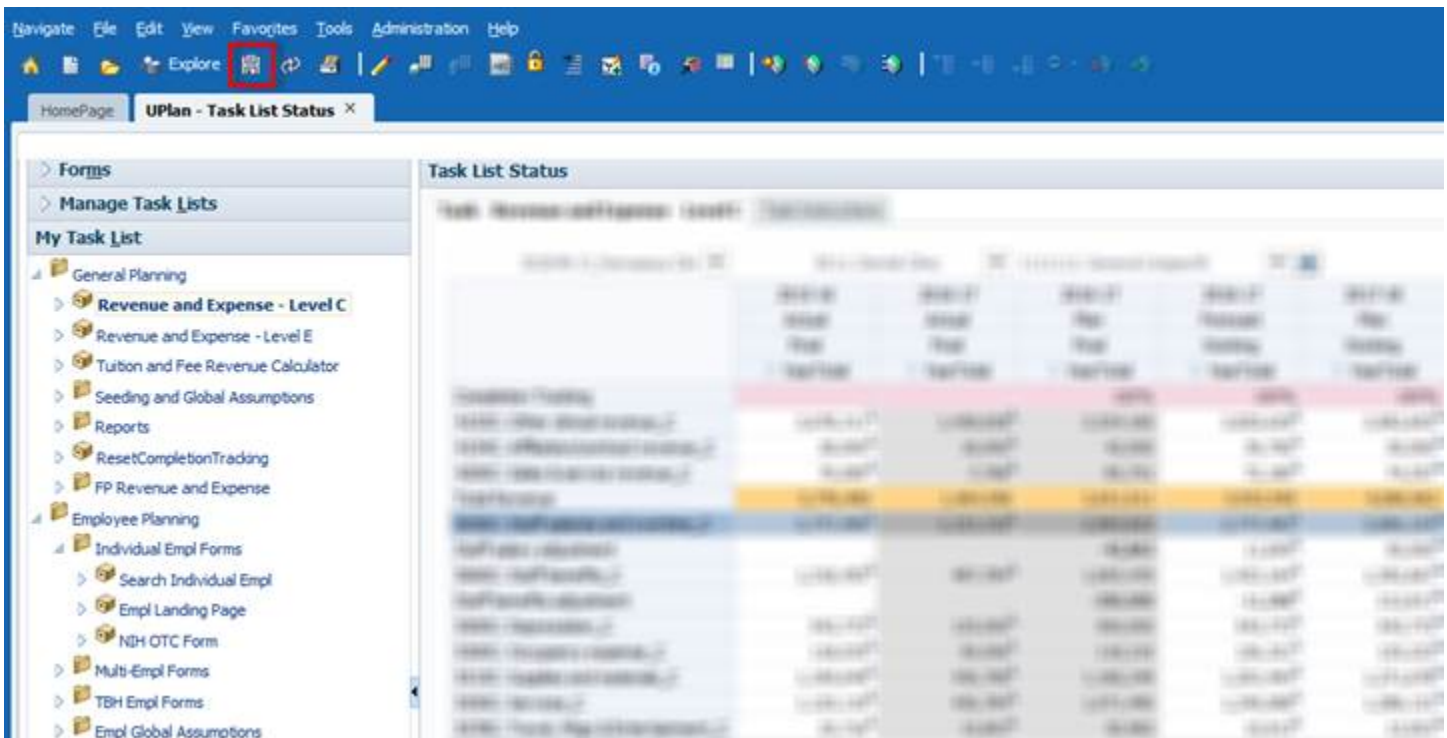

Announcements:

- **UPlan Downtime:** UPlan will be down for the MyAccess Data Center migration on Friday, December 16 at 7:00pm through Saturday, December 17 at approximately 7:00am. Users will not have access to UPlan web or Smart View during this time. For more information, please refer to the migration site [here](#).

As a reminder, UPlan will also be down on Sunday, December 18 from 6:00am through 6:00pm for the 3rd Sunday monthly maintenance.

Bug Fixes & Enhancements:

- **RESOLVED – Push Employee Data to General:** Some planners have reported an Employee push issue where the numbers do not show up in General as expected. To resolve, press Save on the Revenue and Expense form or the Compensation Detail by DFP Report on UPlan web or press Submit in Smart View. Upon save, the numbers will aggregate and match what was sent to Employee.

- Reference the [UPlan Enhancements](#) page for a complete list of enhancements relevant to the last fiscal year.

Known Issues:

- Reference the [UPlan Known Issues](#) page on our website for a complete list of unresolved issues. As known issues are resolved, they will be announced under “Bug Fixes & Enhancements”.
